بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

السَّلَامُ عَلَيْكُمْ وَرَحْمَةُ اللَّهِ وَبَرَكَاتُهُ

Aselamu aleikum we Rahmetu Allah weBerekatuhu.

Quran is the divine word of Allah and there is no doubt about its divinity.

Allah(SW) says

ذَلِكَ الْكِتَابُ لَا رَيْبَ فِيهِ هُدًى لِّلْمُتَّقِينَ - 2:2

***“This is the Book about which there is no doubt, guidance for those conscious of Allah.”***

The Quran carries the secrets of both this world hereafter. It is the last Holy Book that Allah (SW) sent down to humanity. The Quran is spiritual guide for an individual and the community as a whole, a guide to all classes of people living in any place or time and for the whole life of a person.

The Quran has been sent by Allah through his noble angel Jibril(AS) to his Noble Prophet Mohammed(SAW) and for the past 1439 years it has been perfectly preserved by Allah(SW).

Allah(SW) says:

إِنَّا نَحْنُ نَزَّلْنَا الذِّكْرَ وَإِنَّا لَهُ لَحَافِظُونَ - 15:9

The Prophet (PBUH) has informed us the importance of learning the Quran. Our Prophet Muhammad (PBUH) says in a Hadith :

***“The best amongst you is who learns the Quran and teaches it. “*** (Bukhari)

The Quran has been recited and memorized by millions of Muslims all over the world. We Muslims living in Japan also need to learn the Quran and teach our children. For this reason, we have established Quran Madrasa on the purpose of providing Muslims in Japan Quran learning environment.

Our Madrasa “Madrasa Talimul Quran Tokyo” is located at Sumida ward of Tokyo 6 minutes from Kanegafuchi station(SkyTree Line). In our Madrasa, we teach adults and children not only Quran but also how to apply and translate what they have recited and memorized into practice all by following the Quran itself and the way of the Prophet(SAW) and the way of the rightly guided companions.

In Madrasa talimul Quran Tokyo we demonstrate our commitment to our students by providing comfortable environment to recite, learn and memorize the Quran as well as to relax and gain social

Islamic adab (etiquettes). We also regularly communicate with guardians to get their feedback and improve our Quran programs.

At Madrasa Talimul Quran Tokyo, we believe learning the Quran requires, learning the basics of reading Arabic and the rules of reading the Quran. We also believe learning and mastering the language of the Quran and understanding its meanings makes it easy for students to memorize.

Thus, we have designed our Quran program in parallel to teaching the students the meanings and basics of Arabic language. Our program is also designed to accommodate students with different ages and language. Our program is also performance-based that pushes the children to prepare, practice and revise continuously.

If you are an adult, a parent or a guardian of a child, we invite you to visit our Madrasa to see the facility and to have a close look at our Quran teaching methodology. We ask Allah (SWT) to accept our efforts and your effort to learn and teach the Quran.
